Graf | Partners
ATTORNEYS AT LAW

Our Profile

Graf & Partners is a German law firm with offices in Munich and Regensburg, founded in 2003, which operates throughout Germany and internationally.

We provide our demanding clientele with professional advice in the areas of business law, corporate law, inheritance law

and medical law. In addition, the firm specializes in sports & event law as well as entertainment law. Graf & Partners has substantial experience with litigation and arbitration and has well-established ties with other law offices throughout Germany and many English speaking countries. Of course we also provide escrow and trustee services.

Our Lawyers

Several of the firm's attorneys have studied and/or worked in the USA, UK and Ireland. Founding Partner, Attorney **Bernhard Schmeitzl**, Master of Laws (Leicester University), has more than ten years of professional experience as a German lawyer (Munich Bar) and is also admitted as a Registered European Lawyer in England and Wales. He heads the supervisory board of various companies and lectures law at Macromedia University for Media and Communication in Munich.

Attorney-at-Law **Barbara Reimann** received her German law degree from Bonn University in 2006, graduated as Master of Laws from Trinity College Dublin in 2008 and has participated in a Ph.D.-program at Regensburg University law school. She is an excellent contract lawyer and fluent in five languages.

The firm's office manager, paralegal **Sabine Kirmayer**, is a certified foreign language correspondent who worked for the Munich office of Freshfields Bruckhaus Deringer for more than three years before joining Graf & Partners.

Thus, negotiations and correspondence can be professionally handled in English, French and – of course – German.

Our Style

We believe that lawyers today need to be approachable, target oriented, pragmatic and efficient. Clients need an honest professional opinion and they need it as soon as possible. We consign the stuffy and cumbersome lawyer to the past. With the attorneys at Graf & Partners you always know where you are, because we get right to the point.
